

IRV-CIP History

Foundation of the CIP

With the entry in force of the EU Directive 68/193/EEC european producers of grapevine material felt the need to confront and collaborate.

In the frame of the International Congress of Grapevine Nurseries on 30th January 1974 in Dijon - France a discussion has been started about establishing an European Committee of grapevine producers, composed by national european vine nursery associations, not single enterprises.

IRV-CIP History

In the frame of the Grapevine Symposium in Geisenheim
13th and 14th February 1975
the International Committee of grapevine nurseries CIP was founded
in Schlangenbad (Germany)
